

BASES LOADED.  
TWO STRIKES.  
TWO OUTS.  
BOTTOM OF THE SIXTH.

WITH STEROIDS  
HOW DOES THE GAME END?

TAKING STEROIDS  
IS CREATING...

And they can cause DISGUSTING ACNE on your back, BREAST GROWTH IN MALES, cause FEMALES to look MANLY, young people to STOP GROWING and CLOG YOUR ARTERIES. They can even send you on VIOLENT, ANGRY RAMPAGES. Steroids can throw your body WAY OUT OF WHACK and before you know it... THE GAME'S OVER.
