Laura, as we discussed I will keep on the IC folks for an update on the remaining \$250,000. I appreciate their willingness to step up to the plate if there is a potential delay by London for the balance.

Raj/Kelly - We received funds in the amount of USD \$2,250,000 and have in turn wired the funds to Lance's account directly today. There is an outstanding balance that will be sent to Lance asap - please see Todd's note below regarding the transfer. I apologize as were unaware that this was going to happen though we are working on getting the balance sorted out asap.

Lisa, we have the transfer in from London. They have made a 250,000 deduction and I am not sure why. We wired Lance Armstrong 2,250,000 this morning and he will have it in his accounts later today I assume (historically US transfers are same day).

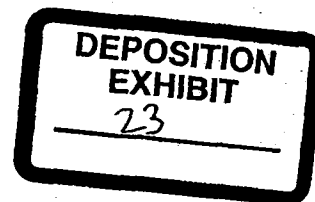

I am checking to see what they were doing and will sort this out in a secondary wire. If there will be much of a delay we will likely top it up internally to cover the 250,000 outstanding.

Please forward this to the brokers.
